

Time of their Lives

This term the young people have enjoyed the flexibility of a multi activity. Some of the choices have been bowling, crazy golf, team building and board games, or simply going out to the park with their peers. Some have worked on their nature projects.

Residential News Autumn 2022

UPDATE

This term the some of young people have been enjoying Resi's Youth Club. This is where they get together with other young people from different apartments and get involved with a variety of activities. This term we have tried archery, baking, toasting marshmallow over the fire pit, tag and penalty shoot-outs. Our tuck shop helps practise money skills and we learnt about anti-bullying.
