This seems a long time ago
now. We had a lovely tree,
and went to the
Pantomime. We are hoping
to do this every
year.

The young people have had theme nights
for thanks giving, Chinese new year and
St Patrick's day with food music and
crafts.

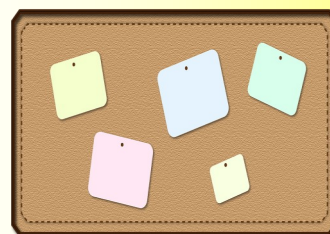

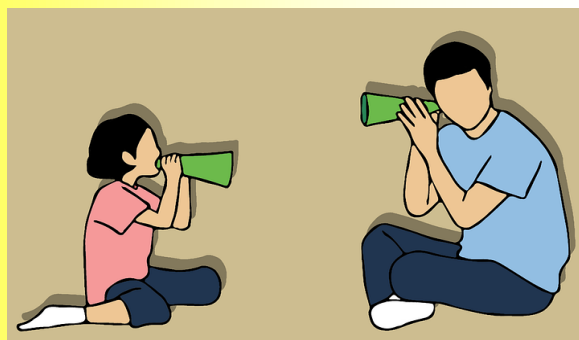

We are still looking
forward to the
Platinum jubilee celebration and the
foods of the world evening.

Continuation from last meeting:

A picture of the independent visitor Charles was shown to the young people and they were told he is here for them and if they see him they can stop him and tell him anything they like, or he might ask them questions.

In the Den there is a board to put ideas for future Council meetings.
