Lots of educational and fun activities have taken place this term. Some young people have been taking part in team building activities with their peers, different groups have been enjoying multi-activity circuits, or have been creative with art or music projects.

THEME NIGHTS

Chinese New Year

This term we celebrated the Chinese year of the Tiger. All the young people enjoyed a Chinese banquet, and had fun making fortune cookies.

St Patrick's Day

We celebrated St Patrick's Day on the week beginning 14th March. The young people had fun making their own leprechaun hats, doing word searches and crosswords and eating their 'pot of gold cupcakes'.
